

Grow

Whether you have successfully raised an early round of funding and are expanding, or you have grown organically and need help scaling your business, we can help you succeed during this make-or-break period.

As part of a full-service law firm, we can cover all of the bases, from employee handbooks to technology agreements. You'll get not only one-stop shopping, but also high-level advice on legal and business strategies to propel your company into the next growth stages.

We help emerging growth companies deal with issues such as:

- Protecting intellectual property
- Licenses to third party technologies
- Data security and privacy issues
- General corporate governance matters
- Customer contracts
- Terms of service and privacy policies
- Development and software agreements
- Executive compensation
- Stock incentive plans and equity grant agreements
- Nondisclosure agreements
- Employment and independent contractor agreements
- Real estate leasing or acquisition
- Tax planning
- Litigation assistance
- Day-to-day legal questions
