

Aaron Nodolf

Partner

Overview

Aaron helps Venture Best clients leverage their innovations to spur further development and achieve their strategic growth goals. Clients turn to him for assistance with all aspects of U.S. and international intellectual property law, including advice on the protection and acquisition of IP assets and defense against competitor claims, as well as negotiation of agreements that help companies thrive. Whether counseling clients on patents, trademarks, copyrights, or trade secrets, Aaron develops creative strategies to secure and commercialize their assets. In every matter he handles, Aaron tailors his legal advice to align with each client's business strategy, and collaborates with others when needed to ensure each client gets what it needs. He has an unwavering desire to help Venture Best clients find success, and works hard to make that success a reality.

Education

- Marquette University Law School, Juris Doctor (J.D.), 2008
- University of Wisconsin-Milwaukee, Bachelor of Science (B.S.), 2001; Mechanical Engineering
