

Adrienne Ehrhardt, CIPP/US, CIPM

Partner
Practice Group Chair, Privacy & Cybersecurity

Overview

Known for giving practical and actionable legal advice, Adrienne counsels Venture Best clients on the complex aspects of privacy, cybersecurity, and data management matters. She brings an extensive background to the table, with a unique understanding of how start-up and emerging businesses are impacted by consumer protection laws, state and federal privacy and cyber security laws, the Gramm-Leach-Bliley Act (GLBA), Fair Credit Reporting Act (FCRA), the Telephone Consumer Protection Act (TCPA), and the European Union's General Data Protection Regulation (GDPR). Her experience working in-house with CUNA Mutual Group and Land's End, Inc. provides her an in-depth, first-hand knowledge of the privacy program and cyber security issues businesses face. As a recognized thought leader, Adrienne has presented on topics relating to methods and practices for managing and sharing data across various business lines and affiliates.
