

Melissa Turczyn

Partner

Overview

Melissa works with entrepreneurs across the country, playing a vital role in getting many early-stage and emerging growth companies off the ground, helping clients in many different industries develop and thrive in a time of constantly changing technology. As an accomplished corporate attorney, she provides expert legal advice and guidance on matters like formation, negotiation of contracts, fundraising, and business strategy. Melissa's approachability, tenacity to help entrepreneurs succeed, and thorough, firsthand knowledge of emerging high-growth markets, makes her an ideal partner and friend to Venture Best clients.

Education

- University of Wisconsin Law School, Juris Doctor (J.D.), 2007
- University of Wisconsin-Madison, Bachelor of Business Administration (B.B.A.), 2004
