

Shawn Stigler

Managing Partner, Broomfield & Boulder Offices
Co-Chair, Venture Best® & Co-Leader, Cannabis

Overview

You wouldn't think a former tax accountant would have such an innovative spirit, but Shawn's not your average suit and tie type of guy. His borderline obsession with the great outdoors and passion for helping the 'little guys' (aka startups, entrepreneurs, and the like) have made Shawn a catalytic asset to the Colorado legal community. This inspired Shawn to found Modus Law, a firm rooted in his everlasting support of the small business ecosystem. Ten years down the road, he saw an even greater opportunity to bring valuable experience to the community and accepted a lead role with the Venture Best® group, Michael Best's legal support utopia for high-growth entrepreneurs. Today, Shawn is a respected speaker, investor, and trusted counsel for clients in industries ranging from natural foods to artificial intelligence. And here's a hint: if you ever need to find him, just look on a bicycle or motorcycle. If it were street legal, the guy would definitely put his desk on two wheels.

Education

- University of Colorado, Juris Doctor (J.D.), 2003
- University of Wisconsin, Bachelor of Science (B.S.), 1997; Accounting, Risk Management and Insurance
- Securities and Exchange Commission Series 7, 34, and 65;
